THE ATLANTIC

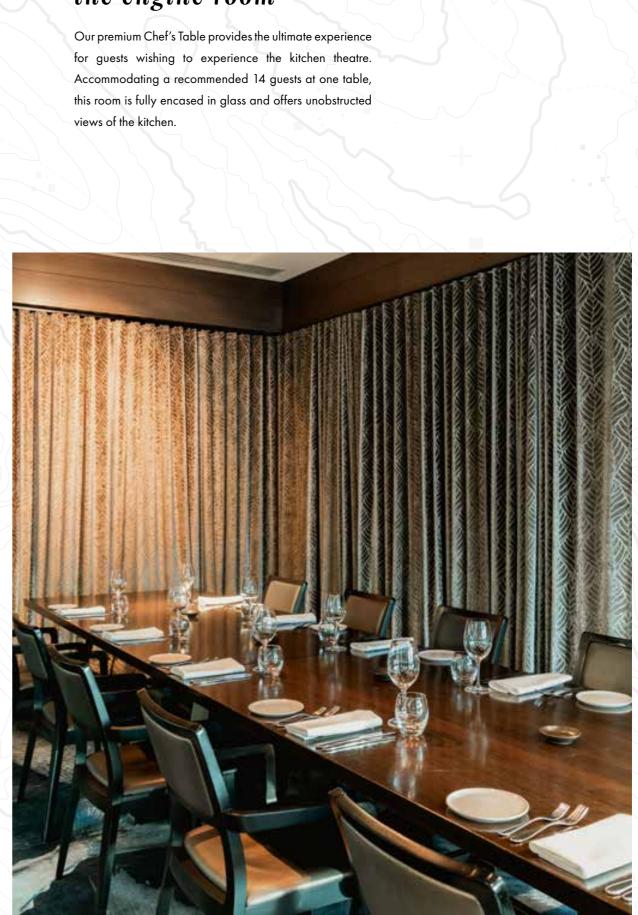

private dining

An ocean to plate philosophy inspires everything we do. Every morning, The Atlantic team hand-picks an unrivalled selection of wild and sustainable fish, unique oyster varieties and pristine shellfish to bring to today's menu. Some may think it's obsessive to hunt for the perfect ingredient. For The Atlantic, it is a necessity. Let us transport you back to the famous New York meat packing district, with the hustle and bustle of the fish markets adding interest and flavour to your vision. It is this spirit that infuses every aspect of The Atlantic, from its design and ambiance to service and cuisine, all perfected in a magnificent waterfront location.

the engine room

private dining

An ocean to plate philosophy inspires everything we do. The Atlantic offers a truly unforgettable dining experience. The numerous private and semi-private dining rooms scattered throughout our ambient and sophisticated space, provide the perfect setting for your next celebration. Our Executive Chef can even tailor a degustation style menu just for you, while our sommelier advises on matching wines to accompany each course.

ATLANTIC THE

the cabins

Located in a hidden alcove, The Cabins features a combination of chairs and banquettes as seating, recommended for up to 25 guests along two tables. The interiors feature pescatorially inspired soft furnishings, exposed brickwork, pipes, taps and a ship's wheel, all of which combined make this space especially unique.

the state room

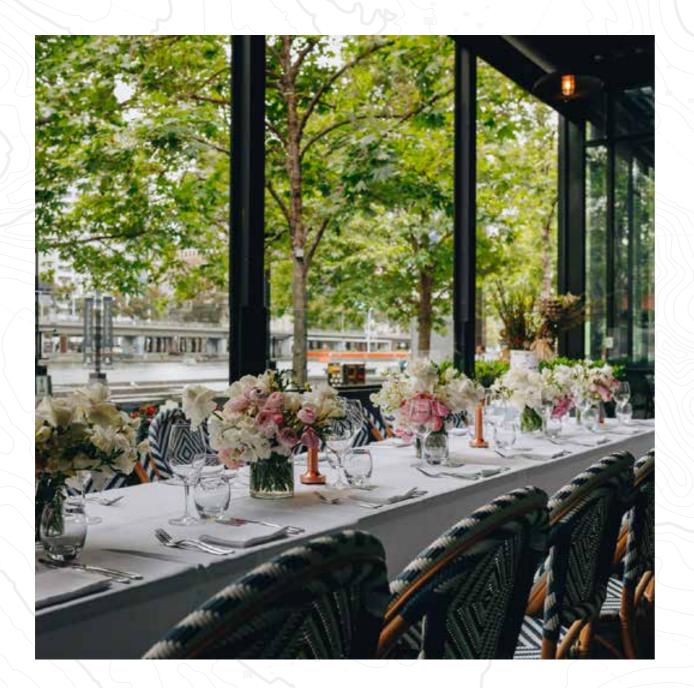

In a discreet corner of The Atlantic are the State Rooms – East and West. Set against a backdrop of our finest wines displayed in glass cases, the space is highly flexible, accommodating a recommended 16 guests on one table, or via a glass dividing wall, can be broken into 2 intimate spaces, suited for up to 8 guests each.
